A food Industry survey

CIRANO, in collaboration with CRIBIQ, and INAF of Laval University, lead a pan Canadian survey among all the food companies (from farm to the retailers). This project will evaluate the perceptions and the concerns of the Canadian Agri-Food industry in relation to food fraud and will document the best practices used to detect and prevent fraud. If you are interested to complete the survey or to transfer it to your network, please contact: foodfraud@cirano.qc.ca
